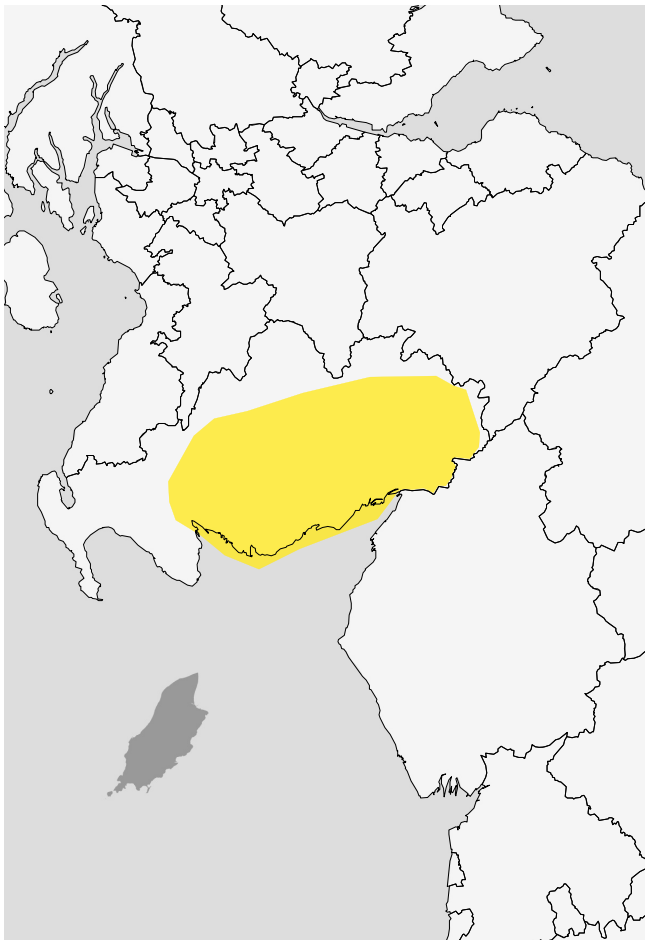
Yellow warning
Rain

Between
15:00 Sun 1 Nov 2020 and
23:59 Sun 1 Nov 2020



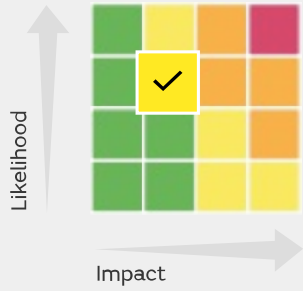
Heavy rain Sunday afternoon and evening may bring some travel disruption and result in localised flooding.

What to expect

- Bus and train services may be affected with journey times taking longer
- Spray and flooding on roads may make journey times longer
- Flooding of a few homes and businesses is possible

Further details

Outbreaks of occasionally heavy rain will give 20-25 mm, locally 30 mm on high ground across Dumfriesshire this afternoon and evening, before clearing east late evening. Given that the ground is already saturated following rain earlier today, this is likely to result in some localised flooding with a chance of some travel disruption from late afternoon and through the evening.



Medium likelihood of low impacts
